

BEARBOAT RIESLING Central Coast

Vintage 2007

Grapes:

100% Riesling

Tasting Notes:

Pale straw color with pronounced aromas of white peach, citrus and honeysuckle. On the palate, it has a modest body with refreshing acidity. Delicately balanced with floral finishing notes.

In the Vineyards:

Riesling loves cool climates. 100% of our grapes come from the coolest AVA in the North Coast-- the Santa Lucia Highlands with a low yield of 4 tons/acre. Whole clusters are pressed for gentle handling to bring out pure fruit aromas and flavors.

Vinification:

Stainless Steel fermentation at cool temperatures to preserve fruit aromas.

Food Pairing:

Sushi, oysters, spicy Asian and Indian dishes
